◦ SKILLS ◦

Excellent communication skills

Driven

Diligent

Dedicated team player

Creative Problem Solving

Enthusiastic

Focused

Self-directed

◦ HOBBIES ◦

I have previously been a keen highland dancer, fencer, and currently enjoy aerial yoga and pilates. In my spare time I can usually be found reading, or listening to an audiobook while I embroider/knit/crochet/paint watercolour. My love of working with my hands, as well as a passion for science, are what lead me to my desire to pursue a career in neurosurgery.

◦ LANGUAGES ◦

Arabic

PROFILE

I am currently in my second year of my Neuroscience BSc. at the University of Glasgow. I intend to undertake a post-graduate medical degree, with the view to specialise in Neurosurgery, focusing particularly on surgical neuro-oncology.
