### **Personal statement**

---

A highly motivated and hard-working undergraduate student, currently studying MEng Aeronautical Engineering at the University of Glasgow. With a strong passion for Mathematics and Physics, aiming to utilise my knowledge of the subjects by putting theory into practice. Excellent analytical and problem-solving skills aid the completion of successful individual and group projects. Enthusiasm and strong communication skills allow me to thrive in a team-based environment, as well as having great organisational skills to ensure efficiency.
