Haroun Asher

A highly determined student at University of Glasgow studying Electronic and Electrical Engineering in my second year. I like to challenge myself whether it is exceeding my own goals or surpassing someone's expectations. I have worked in industries such as Fast food and packing/dispatch from which developed and enhanced crucial skills such as excellent communication skills, outstanding team work and having a strong drive to see something through until completion.

Experience	Experience	Education
Packing and Dispatch	Crew Member	University Of Glasgow
ROC Health Clinic 05/20-08/20	McDonald's 06/19/09/19	Electrical and Electronic Engineering
